Like every year, we present the International Yachting Fellowship of Rotarians activities program for the next Singapore convention.

On this occasion Rotary invites us to get to know this wonderful city and to once again share the friendship and camaraderie that unites us.

We will enjoy the plenaries, many interesting parallel sessions and excellent speakers. One of them will be the Area 3 Commodore EDG Edmund Aguilar. We will be happy to accompany him at his conference.

For our meetings we have concentrated the activity on May 29, everything will take place at the Tanglin Club.

It is a beautiful club founded in 1865, it unites architectural beauty with local tradition.

At 4:00 p.m. we will have the Meet and Greet, at 5:00 p.m. there will be the Annual General Meeting, at 6:30 p.m. the Gala Dinner will begin, which will take place at The Tanglin Club itself. With its wonderful atmosphere it will welcome us with its warmth and a full table of delicacies. On the night of the Gala Dinner, the founding ceremony of the new Singapore fleet will be held, crowning our wonderful activities during the convention.
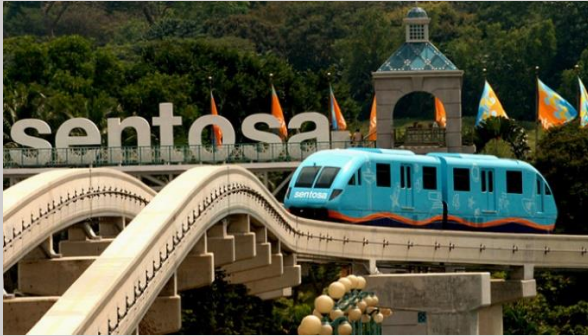

The next day, May 30, we will have the opportunity to enjoy sailing to Sentosa Island.

Sentosa Island means Island of Peace and Tranquility

The island has countless attractions that will captivate us. We have booked a full catamaran for this sailing. Here we see some of the attractions of Sentosa Island.

Don't wait to sign up, there are limited places!

The price of all activities, including sailing to Sentosa Island, is 275 US dollars per person.

To pay for these activities, it is very simple. Contact us through "contact us" on our website. We will send you a payment form that you must complete with your credit card information, that's all. Remember that at IYFR we use a secure system specialized in data processing. However, if you prefer, you can take the option of paying by bank transfer.

Just send an email to our website, under "contact us", we will be happy to register you.

See you in Singapore!
